“I Just Can’t Take It Anymore!”

An “Aww-Inspiring” New Book

Can a small, slim book change your life? This one can! Pairing hilarious photos of children with beautifully simple words, *I Just Can't Take it Anymore* will cheer up even the most discouraged people. In a lighthearted yet profound way, Anthony DeStefano, author of the bestseller, *A Travel Guide to Heaven*, conveys the essence of the Judeo-Christian teaching on suffering, all the while making readers laugh out loud and sigh "Aww."

At once straightforward and funny and yet deeply moving, the book depicts challenges we all face: “Messy” lives, feelings of loss, abandonment, frustration, and despair. Then, step by step, DeStefano gently nudges readers into seeing the *whole* picture—life with all its beauties, joys, challenges and pleasures.

“Sometimes people just need to be reminded that there are always things to be grateful for. No one ever has to suffer alone,” said DeStefano, a best-selling author whose previous books include *Ten Prayers God Always Says Yes To*, *The Invisible World*, and two award-winning children’s books, *This Little Prayer of Mine* and *Little Star*.

If you know anyone who can use some encouraging words or needs a reason to smile, *I Just Can’t Take It Anymore!* offers plenty of both.

To arrange for an interview with Mr. DeStefano, contact Jerry Horn at jghorn@mac.com or call (540) 220-0095. For more information about the author, visit www.AnthonyDeStefano.com.
